

Unique dining experience

## LAVA Restaurant

### Icelandic delicacy in magical surroundings

LAVA Restaurant at Blue Lagoon offers a unique dining experience. It is built into the cliff so it features a natural lava wall, adding to its uniqueness.

The chefs emphasize on using fresh Icelandic ingredients and the menu ranges from light dishes to gourmet meals. A la carte menu and group menus are available and lunch buffet with Icelandic tasting experience is available during the summer months.

Guests can enjoy a drink at the LAVA Bar on the second floor and the roof of the restaurant offers a spectacular view of the lagoon and surrounding area.

## Receptions at LAVA

### Mystical atmosphere creates everlasting memories

LAVA Restaurant is a perfect choice for groups of all sizes, either seated or stand-up, and is equipped with state of the art technology and gives plenty of new possibilities.

The lighting in the LAVA Restaurant can be changed to harmonize with your corporate color. The area can be divided into three sections with light curtains. Two projectors are in the ceiling giving groups of many people better viewing options. A specially designed door and heavy construction allows cars to be driven into the room and pulled up to the ceiling.

## Conferences and Meetings

Dynamic natural surroundings inspires and gives energy needed to achieve a successful meeting

There are well designed meeting and conference rooms at the Blue Lagoon and at nearby Eldborg all equipped with the latest technology.

Combining meetings and relaxation is a key to success. It is delightful to relax in the lagoon and enjoy the Blue Lagoon cocktail or in-water massage.

The lagoon's energetic environment stimulates body and mind, sending participants off with new ideas.

## Events

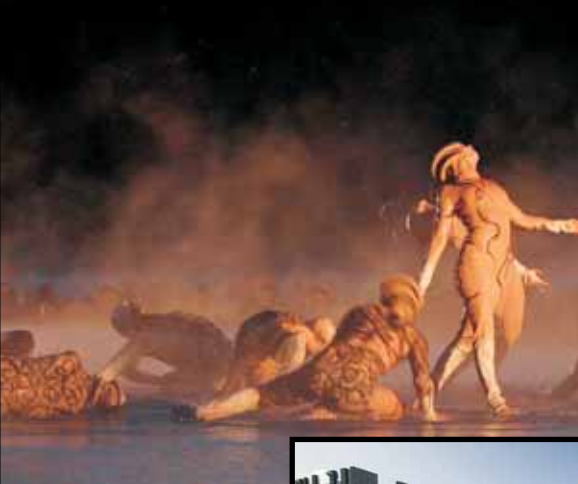

Effective and innovative solutions from experienced team

The unique and mystical setting of the Blue Lagoon and its surroundings is perfect for all kinds of events, such as product launches, fashion show, music and art festivals. Well-trained staff can assist customers with the planning and coordination of meetings and events.
